## REPOA's 18<sup>th</sup> Annual Research Workshop

This year, REPOA 18th Annual Research Workshop was held at the Kunduchi Beach Hotel & Resort, Dar es Salaam for two consecutive days starting from Wednesday 3rd and finish on Thursday 4th April, 2013.

The theme for this year's workshop was "*The Quest for Inclusive Development*". As it is for every other Annual Research Workshop, there was a keynote presentation titled Problems vs. Polarities: The Importance of Understanding Stakeholder Nuances In Your Quest For Inclusive Growth by Datuk Chris Tan, Director, Performance Management And Delivery Unit (PEMANDU) - Malaysia.

Apart from the Keynote paper there were other presentations from experts and distinguished scholars from Tanzania and other countries selected strategically to share their experiences of the inclusive development in different sectors of the economy.

Below are some of the papers to be presented at the coming 18th ARW;
