C15. Public telephone						
C16 Possible to receive cell phone						
C17 Bus service to nearby town?						
C18 Village bank (VICOBA) or other formal credit society or association (SACCO)						
C.19 Agricultural Extension agent						
C20. Veterinary service						
C21. Sales point for agricultural inputs (fertilizer, seeds,...)?						
C22. Primary society?						

E. Labor market information

We would like to ask you some questions on the daily standard agricultural wage rate for adults. Note that this rate should be the sum of the remunerations received in cash as well as those received in kind, i.e. including the cost of non-cash wage items such as meals, part of the harvest, etc.

Activities	(A) Land preparation	(B) Planting	(C) Weeding	(D) Harvesting
E.1 What was the agricultural daily wage rate this past year for the different activities (Tsh/day) for men?				

If daily wage rates are unknown and expressed as a lump sum for a particular task, what was on average:

(if E1 was answered, go directly to E4)

E.2 the total labor cost of preparing 1 acre of land **last year** and how long does it take on average A _____ (Tsh) B ____ (days)

E.3 the total labor cost of weeding 1 acre of land **last year** and how long does it take on average A _____ (Tsh) B ____ (days)

E.4 During the peak season month for labour demand do some village members go to other villages _____ or town to work? (1=yes, 2=no)?

F. Information on Marketing

F1. How many different traders/companies visited the village last year to buy **maize**? _____

F2. How many different traders/companies visited the village last year to buy **coffee**? _____

F3. How many different traders/companies visited the village last year to buy **banana**? _____

F4. How many different traders/companies visited the village last year to buy **vegetables**? _____

G. Input voucher

G.1 Was the village offered any input vouchers for this planting season? (1=yes, 2=no) _____
If no, then the questionnaire ends.

G.2 If yes, did the village accept them? (1=yes, 2=no) _____
If no, then the questionnaire ends.

G3. How many vouchers of urea, DAP/MRP, and seeds did the village receive the first time?

Urea _____ DAP/MRP _____ Improved seeds _____

G4. Did all the eligible households accept the vouchers? (1=yes, 2=no) _____
If yes, go to G8.

G5. If no, how many households did return vouchers to the village committee? _____

G6. Were any vouchers returned to the district office? (1=yes, 2=no) _____

G7. If yes, how many in each category?

Urea _____ DAP/MRP _____ Improved seeds _____

G8. Did the village receive any additional vouchers? (1=yes, 2=no) _____

G9. If yes, how many for each category?

Urea _____ DAP/MRP _____ Improved seeds _____

G10. Has the allocation of vouchers to each household been publicly made available? _____
(1=yes, 2=no)

Thank you for your cooperation!!!
